

GORSKI PARK KUPJAK

...where your time worth more

About us

Aware of the fast-paced and stressful lifestyle and the need for quality rest, **we offer you an escape to nature** that provides the necessary peace and refreshment. Changing the environment is good for everyone, and an active vacation in a forest environment with fresh mountain air has a positive impact on your productivity and motivation.

Through an individual approach, we offer a complete service, from comfortable accommodation and local food to the organization of business events, team building and various activities that are provided. Looking for trails or secrets of Gorski kotar - you are in the right place.

In a quiet place Kupjak at over 700 meters above sea level, you will be greeted by a **team specializing in activities and top organization**, because our team includes athletes and organizers who live what you are looking for during an active vacation.
